Wood Shop

It's getting close to the holidays so now is the time to get into the JBAB Wood Shop! Instead of buying impersonal gifts, why not give something that is more than just a few dollars; give them something that is a piece of you. There is a required safety course before you can use the shop that is held on the first and third Thursday of each month.

2011 White House Holiday Ornament

Get your White House Holiday decoration today for only \$17! Previous years ornaments are still available in limited quantities. The White House Historical Association has produced an annual White House Christmas Ornament since 1981.

Framing Class

Did you know that a framing class at a leading art school in the area cost you \$295.00 plus materials? That is with a pre-made frame and is more than one session. If you want to learn about how to cut and assemble a frame, that will cost you an additional \$89.00.

Our class is \$35.00 plus materials and includes instruction on properly measuring your display area, cutting and assembling of the frame to size, cutting the glass to size, cutting a double mat (2 mats stacked), and packaging of the frame. When you leave, you will have a custom framed and matted picture ready to proudly hang on your wall. All that and you can now save yourself about 40% of what you would have spent for custom framing.

Automated Photo Lab

This holiday season; give the gift that means more. Time to print all of those priceless memories! Preserve all of your family photos and even make gift cards with personalized messages. We can print all of your memories from a 4x6 photograph up to a 24x36 poster.

Print Shop & Office Center

Do you have an upcoming anniversary, homecoming, birthday, retirement or any special occasion? We have you covered! WE CAN PRINT any message large or small on vinyl, canvas or paper. We can also service your copying needs. For details, call 202.767.4422.
